Fashion Collection

Gabriella nie tylko śledzi, ale od lat wyznacza modowe trendy. W tym sezonie stawiamy na zabawę fakturą, wzorem, efektem połysku i matu. Powracają znane bestsellery w nowych interpretacjach i debiutują nowości. Rajstopy i pończochy znów okazują się nie tylko dodatkiem, ale mocnym punktem stylizacji. Kolekcja Gabrielli jest zróżnicowana, tak jak różne są nasze Klientki, ich styl i potrzeby. Wiemy, że Ty również znajdziesz w nowej kolekcji coś dla siebie!

Not only has Gabriella been following fashion trends for years, but setting these trends as well. This season, we focus on experimenting with various textures and patterns, as well as glossy and matte effects. Our well-known best sellers are coming back in a re-interpreted format, and brand-new products also make their début. Tights and stockings are once again vital elements of an outfit, and not simply an addition. Gabriella's collection is as diverse as the styles and needs of our Clients. As such, we are certain that all of you will find something suitable for yourselves in our new collection!
